JAN 2021

The Space Coast Titans is a 501(c)(3) non-profit Softball & Baseball League. Your contributions are tax deductible and 100% will go towards the support of the league. All board members, coaches, and other staff members are unpaid volunteers who contribute only because of their passion to teach the game of softball / baseball and their desire to see the girls/boys succeed. The Titans organization was created to give girls of all ages the opportunity to learn and play the game at a higher level in a safe environment, we then expanded our organization to give the same opportunity to the boys in our communities. We teach the importance of teamwork, good work ethic, dedication leadership, and good sportsmanship. They not only learn the game but also learn positive values that they will take with them through life.

The Titans were established in 2014 and have continued to successful grow due to the tremendous support from the local community and its businesses. This year we have added another group of players to our organization, so we now have the following for softball 10U, 2-12U's, 14U, 2-18U's 10U and our new baseball 10U & 11U baseball teams. Our practices are always open to those who wish to participate. Each season our players travel throughout the state to compete in nationally recognized tournaments as well as state championships, and some college showcase events in other states.

In effort to finance participation, each team needs assistance to defray the tournament costs, so we kindly ask or your support. Please consider investing in the girl's/boy's future. All donations are greatly appreciated. Both Organizational or Individual sponsorship are accepted, please review your sponsor form and choose accordingly. Additionally, we accept donation items that the organization can use in a raffle or silent auction at our tournaments. We would love to have you come out and watch us. Thanks in advance for your support. GO TITANS!!

Please make checks payable to SC Titans or Space Coast Titans
